

WE ARE GOOD TO GO! ARE YOU?

Please be assured that your safety is our priority!

We want you to be confident in the knowledge that Covid-19 safety measures will be in place in line with current racing industry, and local and national government guidelines. We also want you to know that in the unfortunate event of cancellation or restrictions placed on capacities at the Racecourse due to Covid-19, all applicable tickets will be 100% refunded.

We are currently waiting on confirmation from the Government as to whether conditions of entry to sporting venues will be introduced from 1st October 2021 and if so, what these entry conditions will be.

If you have ordered tickets for our racedays we will be sharing updates with you, regarding the Covid measures in place and we will also update [our website](#) with the most up to date information. Please ensure that you check this information ahead of your visit.

SPECTATOR CODE OF CONDUCT as at July 2021

As part of our joint commitment to each other and the communities in which we operate, all racegoers should be aware of the Code of Conduct before entering the racecourse:

For your safety and the safety of others, please make sure to observe the following whilst at our Racecourse:

- If you're travelling to the racecourse via public transport, please ensure you adhere to the relevant guidance.
- Do not travel to the racecourse if you have any Covid-19 symptoms as entry will be denied.
- For the safety of other racegoers and racecourse staff, please consider wearing a face covering in busy indoor areas or outside where social distancing cannot be maintained.
- Regularly wash your hands, use hand sanitizer and avoid touching your face and dispose of any used tissues appropriately.
- Familiarise yourself with your entry point, entry time and location of amenities within the racecourse.
- Some racecourses may choose to operate a cashless event. On-course bookmakers/pool betting operators may accept cash.
- Enjoy the vast amounts of space around the racecourse and avoid congregating in busy areas (for example, along the rail or by the Winning Post).
- Make sure all walkways, corridors and doorways etc are clear before you walk through.
- Follow all signage and the instructions of staff, officials or any emergency service personnel present at the racecourse.
- Do not try to access areas of the racecourse apart from the area detailed on your ticket.
- Make sure other members of your group have read and understood these guidelines.

Thank you so much for your support and co-operation.

We hope you have a wonderful day with us at the races.
