

COVID-19 INFORMATION UPDATE – MARCH 2022

- NHS Covid-19 QR codes are no longer a government requirement as the track and trace system has now closed so there will no longer be any NHS QR Codes at our entry points.
- Whilst we would continue to encourage the use of face-coverings whenever possible, especially within busy indoor areas, they are not mandated by law in any area.
- There are no restrictions with regards to Social Distancing, however we do request that you respect the personal space of others whenever possible.
- We continue to encourage good hand hygiene and request that Racegoers make use of the sanitisation points around the Racecourse.
- We encourage everyone to get fully vaccinated where possible
- Anyone who has pre-booked and does not wish to attend due to receiving a positive Covid Test result will be offered a transfer of their booking to an alternative fixture date, subject to proof of a positive Covid Test results being presented prior to the raceday.
- Our full terms and conditions of entry are available [HERE](#).
